

Family Nurturing Center's Three-day Training For Nurturing Parenting® Program Facilitators

This online training is a fabulous introduction to Nurturing Parenting® Philosophy, to parent engagement, and to **Nurturing Parenting® Program** curricula.

This training is the ideal starting place for people new to family support as well as those with experience who are new to Dr. Stephen Bavolek's Nurturing Parenting® Programs. Specific topics covered include: behavior management, personal power, effective communication, family support principles, and the building of a positive self-concept. The training also addresses Nurturing Parenting® Program implementation and the whys and hows of family engagement.
